What's happening at Phalera?

As we wrap up September, we wanted to give you a glimpse into the latest happenings at Phalera, the game-changing updates we've rolled out, and how you can benefit from our **all-in-one CRM solution**.

Let's dive in!

Feature Highlights of the Month

ACH Payments

In our quest to continually enhance our service, we're thrilled to announce the addition of **ACH payments** for our US-based clients. While we previously supported Paypal and credit card payments, this new inclusion ensures greater flexibility for our users.

Automatic Receipts for Payments

Keeping track of financial transactions just got easier. We've rolled out an automatic receipt generation feature. After any payment, receipts are instantly dispatched. Plus, you have the added capability to customize your email communications to align with your brand.

Communities - Now Live in Phalera

Our commitment to creating an all-in-one platform continues. With the launch of Communities, you can now build and nurture your audience directly within Phalera. Interact, engage, and grow your community without ever leaving the platform.

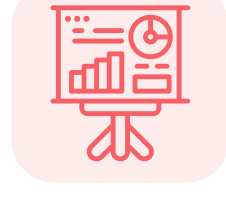

SPECIAL OFFER JUST FOR YOU

Good news! Due to popular demand, we've **extended our 20% discount** for the first three months.
